Learning Style: Virtual Classroom

Technology:

Difficulty: Beginner

Course Duration:

Communication Strategies

About This Course:

For the better part of every day, we are communicating to and with others. Whether it's the speech you deliver in the boardroom, the level of attention you give your spouse when they are talking to you, or the look you give the cat, it all means something.

This course has been approved for 7 PDUs | 7 CDUs

Course Objectives:

- Understand the importance of communication from a big-picture perspective
- Learn our own authentic approach to communication and where barriers might exist
- Apply key differences between non-verbal and verbal communication and delivery

Audience:

- Professionals looking to improve their workplace communication and leadership presence
- Team leaders and managers seeking to foster stronger relationships with their teams
- Customer service representatives, HR professionals, and trainers
- Anyone interested in improving their interpersonal and communication effectiveness

Prerequisites:

- Have basic communication skills in English
- Are willing to participate in discussions and role-play scenarios
- Bring real-life communication challenges for analysis and improvement
