Expanding Your Emotional Intelligence

About This Course:

The workplace can be filled with stress, pressure, excitement, and anxiety. Emotional Intelligence (EI) is how we identify and regulate our own feelings, tune into the feelings of others and understand their perspectives, and use this

knowledge to guide us toward constructive interactions.

Emotional Intelligence is more than your average “soft skill”. It is essential to successful teamwork, effective leadership, and overall competence. Most of all, it is a skill that takes practice and focus to master.
