

eReaders: Getting to Know Your Device

Modality: On Demand

Duration: 3 Hours

About this course:

This course covers all three reading apps for books, newspapers, and magazines on your portable devices. Here, we will focus on Apple's iBooks, Amazon's Kindle app and Barnes & Noble's NOOK app. Candidates of the course will learn how to properly operate these applications.

Other than that, all the candidates will receive important pointers on how to find free content.

Audience:

Apple products users; specifically iPhone and iPads.

Prerequisites:

No pre-requisites are required for the course

Course Outline:
