

# **Report Clearly, Concisely, and Professionally with STARR**

**Modality:** On Demand

**Duration:** 15 Min

Everyone has experienced those painful "Status Update" meetings. This amazing tool is recommended to everyone who wants to report clearly, concisely, and best of all, professionally. It was invented by the military and has since been adopted by journalism and corporate boardrooms everywhere. Use this tool in meetings, reports, or when surprised by your boss in the hallway.

## **Course Outline:**
