

Solve Problems Creatively with POWER

Modality: Self-Paced Learning

Duration: 15 Min

At the point when you're attempting to take care of an issue under tension, it's anything but difficult to race into a silly arrangement. With the tool of P.O.W.E.R., you can enhance and analyze your answers before executing them. In 15 brief minutes, figure out how to change a shaky arrangement into something sturdier and more robust.
