Learning Style: Virtual Classroom

Technology: ISC2

Difficulty: Intermediate

Course Duration: 5 Days

## Certified Authorization Professional (CAP) Boot Camp (SEC-CAP)

### About this course:

This course, offered by QuickStart, is designed for the information security practitioner who champions system security commensurate with an organization's mission and risk tolerance, while meeting legal and regulatory requirements. It

conceptually mirrors the NIST system authorization process in compliance with the Office of Management and Budget (OMB) Circular A-130, Appendix III. Led by an (ISC)2 authorized instructor, the CAP training seminar provides a comprehensive review of information systems security concepts and industry best practices, covering the 7 domains of the CAP CBK:

- Risk Management Framework (RMF)
- Categorization of Information Systems
- Selection of Security Controls
- Security Control Implementation
- Security Control Assessment
- Information System Authorization
- Monitoring of Security Controls

This course prepares you for the following exams:

- CAP

### Course Outline:

- **Module 1: Describe the Risk Management Framework (RMF)**
- **Module 2: RMF Step 1: Categorize Information Systems**
- **Module 3: RMF Step 2: Select Security Controls**
- **Module 4: RMF Step 3: Implement Security Controls**
- **Module 5: RMF Step 4: Assess Security Control**
- **Module 6: RMF Step 5: Authorize Information System**
- **Module 7: RMF Step 6: Monitor Security Controls**

### Credly Badge:

### Display your Completion Badge And Get The Recognition You Deserve.

Add a completion and readiness badge to your LinkedIn profile, Facebook page, or Twitter account to validate your professional and technical expertise. With badges issued and validated by Credly, you can:

- Let anyone verify your completion and achievement by clicking on the badge
- Display your hard work and validate your expertise
- Display each badge's details about specific skills you developed.

Badges are issued by QuickStart and verified through Credly.
