Technology: Microsoft

Difficulty: Intermediate

Course Duration: 23 Hours

Microsoft Certified Azure Solutions Architect Expert + Certification Exam Bundle

This course is for professionals planning to enroll in the exams (AZ-104 & AZ-305). The course includes the official exam voucher.

About this Learning Path:

Microsoft Azure Administrator (AZ-104)

This course teaches IT Professionals how to manage their Azure subscriptions, create and scale virtual machines, implement storage solutions, configure virtual networking, back up and share data, connect Azure and on-premises sites, manage network traffic, implement Azure Active Directory, secure identities, and monitor your solution.

Designing Microsoft Azure Infrastructure Solutions (AZ-305)

This course teaches Azure Solution Architects how to design infrastructure solutions. Course topics cover governance, compute, application architecture, storage, data integration, authentication, networks, business continuity, and migrations. The course combines lecture with case studies to demonstrate basic architect design principles.

Credly Badge:

Display your Completion Badge And Get The Recognition You Deserve.

Add a completion and readiness badge to your Linkedin profile, Facebook page, or Twitter account to validate your professional and technical expertise. With badges issued and validated by Credly, you can:

- Let anyone verify your completion and achievement by clicking on the badge
- Display your hard work and validate your expertise
- Display each badge's details about specific skills you developed.

Badges are issued by QuickStart and verified through Credly.
