## CompTIA IT Fundamentals ITF+ (FCO-U61)

This course is for everyone who has had to call a help desk or a geek friend to help them with basic computer, laptop, mobile and network issues. You will learn about all kinds of computing devices (like PCs and Macs, tablets, and phones) as well as how to troubleshoot issues (like with networks, the Internet, and why your computer won't turn on). You will also learn about security, safety, and preventative maintenance, as well as the basics of databases and programming (basic IT skills everyone should know these days).
