**Difficulty: Intermediate**

**Course Duration: 3.5 Hours**

## Application of Machine learning: Python Implementations

### About this Course:

Machine Learning can be an incredibly beneficial tool to uncover hidden insights and predict future trends.

## Course Outline:

This Course Includes:

- Course Introduction
- Logistic Regression
- K-means Algorithm
- Decision Trees
- Neural Networks

## Credly Badge:

### Display your Completion Badge And Get The Recognition You Deserve.

Add a completion and readiness badge to your LinkedIn profile, Facebook page, or Twitter account to validate your professional and technical expertise. With badges issued and validated by Credly, you can:

- Let anyone verify your completion and achievement by clicking on the badge
- Display your hard work and validate your expertise
- Display each badge's details about specific skills you developed.

Badges are issued by QuickStart and verified through Credly.
